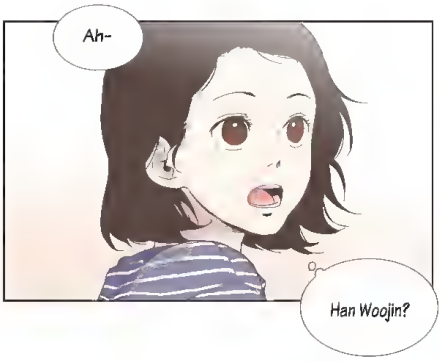
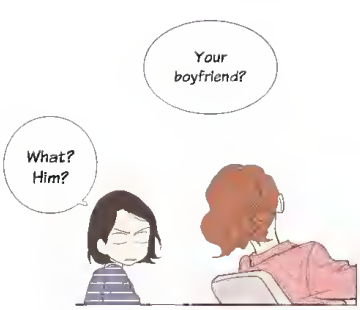
Gayoung, who was that guy?

Huh?
Who?
(Year 2, 2nd Semester, Fall)
You know.. that guy who comes looking for you every once in a while.



Ah-
Han Woojin?

(He recently came out for his last break.)
So happy~
Next time, I'll be out for good~!
Euhehehe!

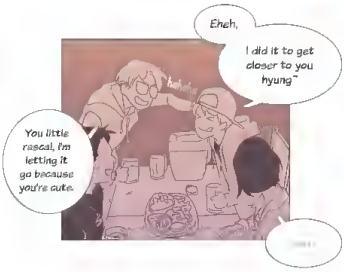


Your boyfriend?
What? Him?

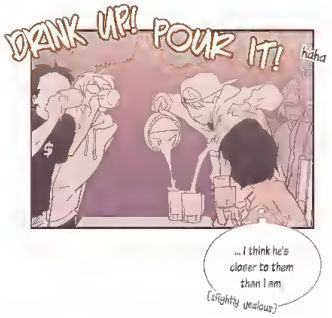
He's just a friend I keep in contact with from high school.
Huh? Really?
Everybody thinks he's your boyfriend—
Eh...
No wonder...
I hadn't gotten any date or blind date requests.

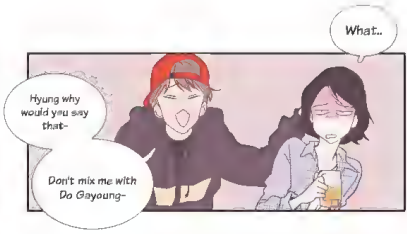
OUR RELATIONSHIP IS

Anyway, Han Woojin eventually got released.



It's strange, but this rascal has never missed any of my department's gatherings.

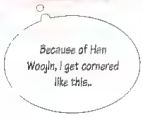




What..
Hyung why would you say that-
Don't mix me with Do Gayoung-

What wrong with Do hoohae-
She's pretty, hardworking
This thing is pretty?
You'd have second thoughts if you have ever seen her pulling all-nighters when doing homework

True as Honest
She's intense when she's doing her homework
TUK



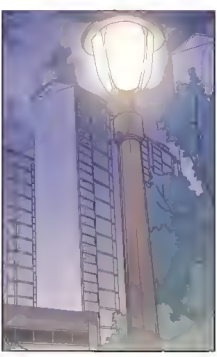
Because of Han Woojin, I get cornered like this..

Uh, it's getting pretty late.
Hyung-nims, we'll be leaving first.
Why~ Play some more~

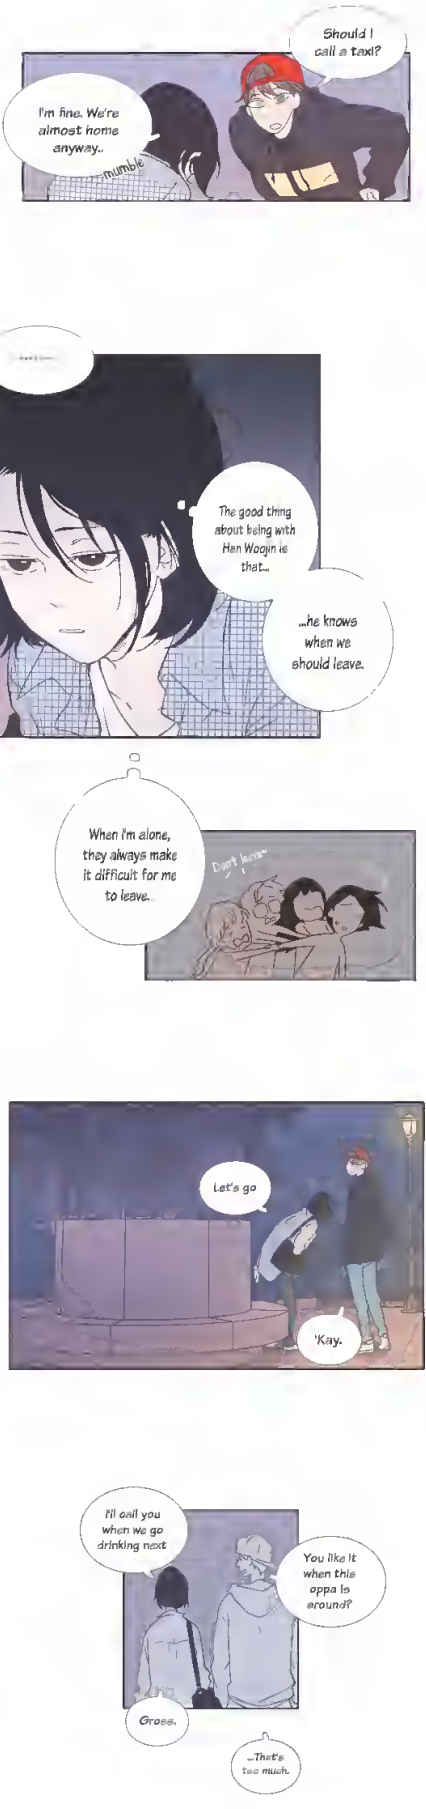
We need to catch the last train
Bye!
Please excuse us.

Aw, It just started to be fun-
Mhmm...
Don't drink too much, before you go in.
You said you had to finish you school work soon-

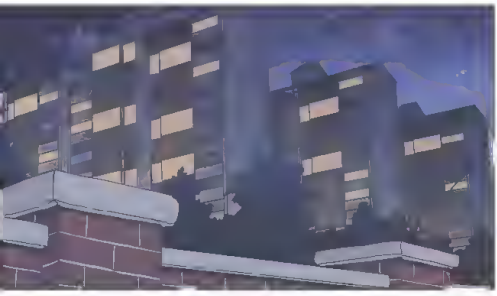
He got us at our weakness..
(5th years)
We're leaving now~!
Bye-

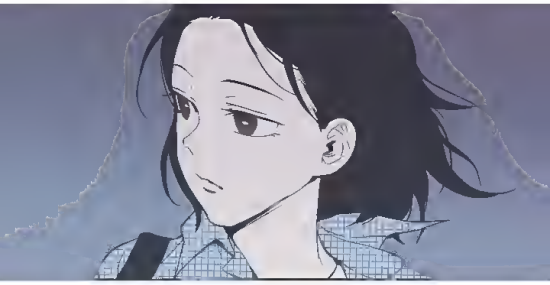


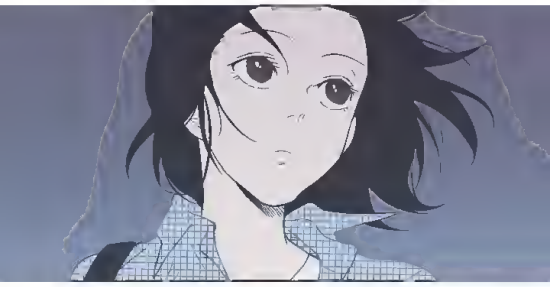
Are you feeling less drunk?
..A little.

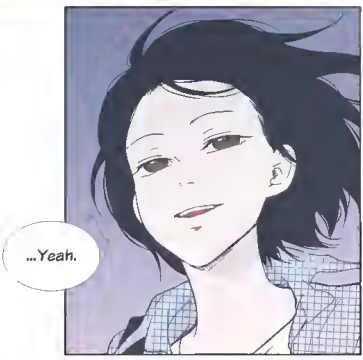


Should I call a taxi?
I'm fine. We're almost home anyway..
...mumble
The good thing about being with Han Woojin is that...
...he knows when we should leave.
When I'm alone, they always make it difficult for me to leave..
Don't leave
Let's go
'Kay.
I'll call you when we go drinking next
You like it when this oppa is around?
Gross.
...That's too much.









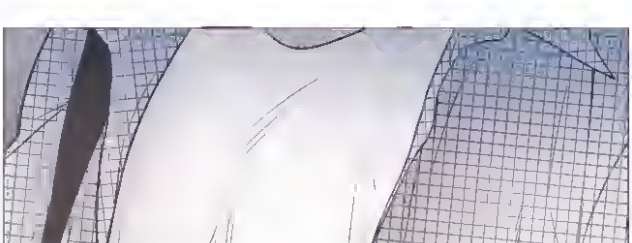
We'd go to school together, and late at night we'd go home together.

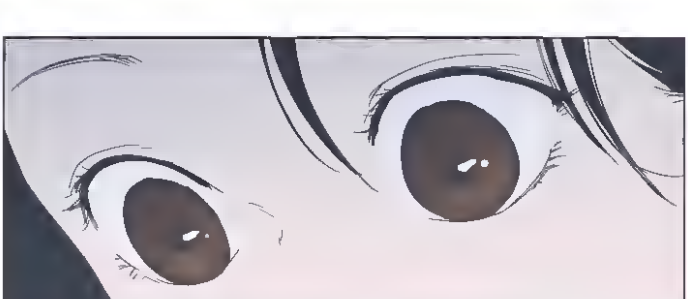
Our daily lives as high schoolers...

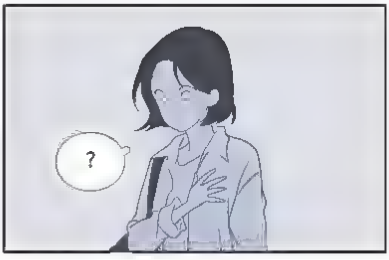
have started again.

Honestly, the fact that we'll be together in the future calms me.

But...







For some reason my heart is racing.
